Merrymaker's Manifesto

1. I celebrate progress, not perfection.
2. I look for joy in the small and silly.
3. I believe glitter and laughter are powerful medicine.
4. I make memories on purpose — even when the dishes aren't done.
5. I don't wait for a holiday to feel thankful.
6. I say yes to fun, even in fifteen-minute doses.
7. I know ordinary moments become extraordinary in hindsight.
8. I share my joy — because it multiplies when given away.
9. I believe confetti belongs in every season.
10. I am a Merrymaker.
